

Have you ever wanted to tell  
Mrs Thatcher and her government  
exactly what you think of their attitude  
towards apartheid South Africa?

**This is your opportunity!**

Help the Anti-Apartheid Movement's "Operation Orange"  
— send a message to her on 26 June 1989 — South Africa Freedom Day

**In the ten years since Mrs Thatcher came to power  
3/4 million people have died in Southern Africa  
as a result of the apartheid system.**

## Dear Friend

I'm sure you don't buy OUTSPAN oranges or other South African produce.

I'm sure Mrs Thatcher does. Her ten years in power have prolonged the apartheid system. She promotes trade with South Africa.

Please help us send a clear message to her on South Africa Freedom Day — 26 June. The message is printed on the orange opposite. Do add your own message, so that the strength of public feeling on this issue can be fully appreciated.

### How to send the message

1. Detach the card facing, and fill in the bottom section.
2. Sign the orange, and add your own message
3. Fold the card in two down the centre line.
4. Insert your cheque or postal order if not using a credit card.
5. Seal the edges and post the card. No need to use a stamp — but using one will help cut the costs of the campaign.

*Please post your message by 16 June*

*Abdul Minty, with Archbishop Huddleston and Oliver Tambo*

### What the Anti-Apartheid Movement will do with your card

On 26 June, we will present your signed orange, along with tens of thousands of others, to 10 Downing Street.

And we will send you (*if you request it*) information about action against apartheid.

“Operation Orange” is part of the Boycott Apartheid 89 campaign — to get the message of action against apartheid across to everybody who cares about freedom. Your help is vital!

Yours sincerely

*Abdul S. Minty*

*Dear Mrs Thatcher,*  
**Today is South  
 Africa Freedom Day.**  
**But there can be no freedom while  
 apartheid lasts. I want to see  
 Britain doing more to end apartheid.**  
**Sanctions by other countries  
 are already working. Britain must join
