DON'T

THIS IS NOT AN EXHAUSTIVE LIST.

Before you buy, look at the label.
ask at the counter if you are not
sure: "Is it S African?"

BUY!

- Britain is S.Africa's most important foreign financial backer, accounting for 60% of S.Africa's foreign investment and 30% of her foreign trade!
- 630 British companies have subsidiaries in S.Africa!
- Apartheid is profitable for foreign investors as it is based on super-exploitation of black workers!
- Average white miner's wage is £112 per week, whereas the average black miner's wage is £13 per week!
- Black trade unions are not recognised by law and organisers of African trade unions have been banned, tortured to death, given life imprisonment!
- S.African products on shelves are produced by virtual serfdom - £3 per day in cash for 12 hours per day, 7 days per week, 52 weeks per year!
- Black labourers on the farms may not leave the farms freely to seek employment in industry!
- The LIBERATION MOVEMENTS, ANC and PAC, repeatedly call for total isolation of the S. African regime!
- Support the call of the ANC, the PAC, the ANTI-APARTHEID MOVEMENT, the TUC, in this the UNITED NATIONS YEAR AGAINST APARTHEID!!!!!!!!!!
