FREE ALL NAMIBIAN POLITICAL PRISONERS AND DETAINEES!

To Her Majesty's Government,
We, the undersigned, express our grave concern at the illegal occupation of Namibia by apartheid South Africa. We urge the British Government to take immediate action to ensure an end to the repression of the Namibian people and ensure the release of all political prisoners and detainees. We are particularly concerned that action should be taken to prevent the torture of those detained by the occupying South African forces.
